News from the Alliance Française-Lansing Board of Directors

The AF Summer Festival will be July 10th !

The AF-Lansing Board of Directors continues preparations for the first gathering of the members in 16 months. **Please mark your calendars!**

The Summer Festival (*La fête d'été*)

July 10, 2021

4:00 PM to dusk

Wonch Park, Okemos

We will celebrate both the American holiday and the French holiday but mostly we will celebrate each other for surviving the pandemic.

Board members will be preparing burgers and vegetarian options at the grills. Members should bring a healthy side dish or dessert to share and a beverage of choice. (Alcohol is permitted in Wonch Park.) The board will provide condiments, dishes, glasses, flatware and napkins. Please bring games if you have any that you think others might like to play. Bring a camp chair if you wish.

Before the end of the month, Mark Sullivan will send out an evite announcement about the Summer Festival. **Please reply to the invitation!** It is very important to have an accurate count so that the board members can purchase the appropriate amounts of food and tableware.

Remember, you still have time to get your shots if you have not yet been vaccinated.

We are very excited about being able to see you in person!

See you July 10th at Wonch Park!
A bientôt!
