Member Spotlight: Judi Harris receives "Global Goals - Local Leaders" Award

Every year, the Greater Lansing United Nations Association (GLUNA) recognizes community members who have helped develop any of the Sustainable Development Goals, 15-year goals that were determined by the United Nations in 2015, through their work and/or volunteer service. AF Lansing member Judy Harris was presented with the Global Goals - Local Leader award at a ceremony on October 27, 2019.

Judi was honored for the positive difference she has made in the lives of a multitude of people in the U.S. as well as all over the world for most of her life, on professional and personal levels. She was a Peace Corps volunteer in Senegal for 2 years and went on as a trainer in Senegal and Cameroon. She has worked with refugees in Macedonia, Cambodia and Haiti. She worked in the national refugee resettlement program in Washington D.C. and since 2008 has been Program

Director for Refugee Services at St. Vincent Catholic Charities in Lansing, ensuring that our Lansing refugee population has housing, health care, employment, and education - so that they may move to lead positive, productive lives. Judi has done this effectively by partnering with other local organizations as well as by leading and/or establishing new entities such as the Global Institute of Lansing (a high school completion program for refugees) and AFAR (All-Faith Alliance for Refugees).

More than twelve years ago Judi moved to Lansing specifically to become a refugee foster parent. Since then she has provided a secure, happy home for ten young people from five countries, making sure that they are well-educated and ready to lead healthy, effective lives. Thank you Judi for your service to humanity, we are proud of you!
